***Allowable Subject Matter***

1. Claims 1-20, 25-30, 40-41, and 44-47 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In regard to claims 1-20 and 25-30, the prior art does not disclose an infrared camera system with the combination of limitations specified in the claimed invention, specifically the limitations of:

wherein said control device comprises a microprocessor and wherein said microprocessor selects the desired pass band based on at least one of an ambient visible light level and an ambient infrared light level; a visible light sensor operable to measure the ambient visible light level; and an infrared light sensor operable to measure the ambient infrared light level; wherein said infrared illumination source is operated to transmit infrared optical energy in the direction of the subject when the ambient infrared light level measured by said infrared light sensor is determined by said microprocessor to be insufficient, as stated in claim 1.

Claims 40-41 and 44-47 are allowable for the reasons stated in the previous office action filed on 7/27/07.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
